

Outreach Opportunities:

Foster Care Support

Bridge Foster Family Ministry has an outreach opportunity to serve local foster families. May is Foster Family Month, so we would like to shower foster families in our area with encouraging notes and cards as well as a \$25 gift card for dinner! We all know this is a trying time for all parents and especially foster parents with kids at home that have had significant trauma in their lives. These notes will provide them encouragement and let them know we are praying for them.

If you are willing to participate, please shoot a quick response to Heather Smith, our amazing Foster Ministry leader!

hsmith612@gmail.com

Please email me if you would like to help serve our community in one or both of the following ways:

- 1: Would you consider writing an encouraging note or have your kids draw a picture or write their own note for a foster child or foster parent.
- 2: Would you consider sending a gift card for \$25 for a local restaurant to a local foster family? We will also be helping support local businesses with the purchase of the gift card!

Sewing Handmade Medical Masks

Bridge would also like to encourage anyone in our Bridge family that can sew to consider making protective masks for our medical workers. As you complete masks you may deliver them to the church and leave them in the front entrance breezeway.

1. Here is a You Tube video that provides a basic pattern and instructions. <https://youtu.be/fySsaOojEVM>
2. Here is another video that shares best materials. <https://www.youtube.com/watch?v=v8HNYKvlaN8&feature=youtu.be>

Thank you for being an amazing church!
